CORAM: HONOURABLE MR. JUSTICE V.N. SINHA

8 21-03-2012 Perused the office-note dated 20.3.2012. It appears, the writ petition stood dismissed for default, whereafter on 20.08.2008 counsel for the petitioner submitted that he is proposing to file restoration application. Restoration application having not been filed, the writ petition stood dismissed for non-prosecution, as such, there is no occasion for this Court to hold that the same has become incompetent against the other respondents, as earlier itself the writ petition stood dismissed for default against all the three respondents. So far request of the office to review the minutes of the Registrar General is concerned, such request may be made before the Registrar General.
